WATER X	F			CALL BACK	NO	Carpets which are defective or that have not been correctly installed will be cleaned at customer's risk, as will carpets that are loose at seams or along walls or concrete floors. Deodorization may not be effective on carpets exposed to pets. Questions or concerns regarding workmanship must be reported within 10 days after completion of work, or may be subject to service charge at our determination. NOTE: Customer acknowledges being informed and understands that carpet is damp during and after cleaning and that care should be taken in slipping.
